Tel: (+1) 613 • 652 • 4886

Email: techsupport@rossvideo.com

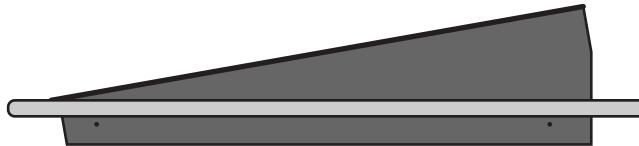

2

Using the provided screws, install the Mounting Brackets onto the sides of the control panel.

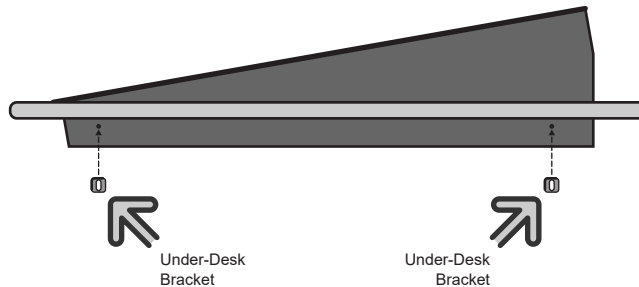

**3**

Insert the control panel into the desk cutout.

Ensure there is proper cable clearance at the back of the panel.

**4**

Install the Under-Desk Brackets on both sides of the control panel to secure the control panel in the desk.

1

Contact Ross Technical Support for information on the proper desk cutout sizes.

You may not want to cut out the optional Cable Cutout if you are mounting the control panel flat.
